CAMP CLAYTON

Where it's At!

Available for children who have completed Kindergarten - rising 5th graders.

Let us tell you where it's at...right here at Clayton Parks and Recreation! Children will participate in a safe and structured environment and be involved in everything from athletics to art. With a broad range of pastimes representing a variety of interests, each day offers both action-packed games and laid-back activities. Furthermore, every week focuses on a brand new theme. This summer, "Where It's At" is the place to be. Each camper will receive a camp t-shirt and water bottle.

Camp participants must show documentation for completed Kindergarten.

Hours: 7:30 a.m.- 6:00 p.m.

Ratio: 1-to-12

Weekly Fee: \$120 residents; \$180 non-residents

Daily Checklist:

- Packed lunch
- Snacks (2)
- Labeled water bottle
- Labeled sunscreen

Sand & Sea

Ages: 5-8

Let's go to the beach! Draw, paint, sculpt, and create works of art inspired by the sights and activities of the beach and ocean! From the sand to the sea, from exploring ocean life to spending a day on the boardwalk, let's get creative! Basic supplies included.

Day Time Date

Mon -Fri 9:00 a.m. – Noon June 6-10

Fee: \$100 residents, \$150 non-residents

Instructor: Julia Kretschmer

**Petals from Pages**

Ages: 9-12

From a humble sheet of paper, bloom flowers that will never fade! Join us for a journey into the world of mixed-media where we will create lovely, three-dimensional sculptures from the simplest of materials. Taking inspiration from the beautiful natural world around us, we will draw, cut, shape and glue our way to create a forever bouquet! Basic supplies included.

Day Time Date

Mon -Fri 1:00 – 4:00 p.m. June 13-17

Fee: \$100 residents, \$150 non-residents

Instructor: Amanda Corvassi

Stunning Still-Life

Ages: 5-8

Observe beauty found in the small things around you and what do you see? Explore the elements of art and a variety of mediums as we draw, paint, sculpt, and create works of art inspired by flowers, foods, and more. Basic supplies included.

Day Time Date

Mon -Fri 9:00 a.m. – Noon July 11 - 15

Fee: \$100 residents, \$150 non-residents

Instructor: Julia Kretschmer

Splendid Script

Ages: 9-12

Turn words into art with a stroke of a pen! Develop your calligraphy skills and learn how to make your name into a masterpiece. We'll transform the alphabet into frame-worthy script and show you the beautiful things you can create with the simplest of techniques! Basic supplies included.

<u>Day</u>	<u>Time</u>	<u>Date</u>
Mon -Fri	1:00 – 4:00 p.m.	July 25-29

Fee: \$100 residents, \$150 non-residents

Instructor: Amanda Corvassi

Beautiful Beads

Ages: 9-12

Welcome to the world of jewelry making! You'll learn how to use Bead-Weaving, Assembling & Wire-Wrapping to make your ideas come to life. Have fun sketching out your design, selecting your favorite colors and making your own masterpiece! Explore all the amazing things you can create with a rainbow of colorful beads, wire, string, and your imagination! Basic supplies included.

<u>Day</u>	<u>Time</u>	<u>Date</u>
Mon -Fri	1:00 – 4:00 p.m	August 1-5

Fee: \$100 residents, \$150 non-residents

Instructor: Amanda Corvassi

Register online at ClaytonParks.org/Register

Little Medical School

Ages: 6 - 11

Through role-play and activities, students will learn the key responsibilities of a doctor and explore the heart, lungs, and digestion. Students will use real medical instruments (stethoscope, reflex hammer, and blood pressure cuff) and practice scrubbing, suturing, and tying knots like a real surgeon.

<u>Day</u>	<u>Time</u>	<u>Date</u>
Mon -Fri	1:00 – 4:00 p.m.	July 25-29

Fee: \$160

Instructor: Little Medical School

Register Online: littlemedicalschool.com/researchtriangle

Little Veterinarian School

Ages: 6-11

After “adopting” their very own plush puppy, students will role-play the key responsibilities of a veterinarian, including how to properly perform a nose-to-tail exam. These future veterinarians will learn how to sew stitches, remove ticks, make healthy treats, and vaccinate their dog.

<u>Day</u>	<u>Time</u>	<u>Date</u>
Mon -Fri	1:00 – 4:00 p.m.	August 8-12

Fee: \$160

Instructor: Little Medical School

Register Online: littlemedicalschool.com/researchtriangle

Spy Academy

Ages: 8-11

Look out 007 – the Mad Science spy academy is in session! Use your powers of observation to solve problems and uncover crimes. Check out security systems, cool spy equipment, and discover proper procedures that are used in real crime scene labs! Mad Science Spy Academy camp will help you sharpen your special operative skills as you learn about the secret world of espionage. The key to being a great spy is your ability to use science to “sniff” out your suspects and uncover their secrets.

<u>Day</u>	<u>Time</u>	<u>Date</u>
Mon -Fri	9:00 a.m. – Noon	June 13-17

Fee: \$160

Instructor: Mad Science

Register Online:

<https://triangle.madscience.org/parents-register-c.aspx>

Secret Agent Lab

Ages: 6-8

Step into the shoes of a detective at our Secret Agent headquarters and uncover the science involved in evidence gathering and analysis. What happens to all of the evidence field agents collect? Explore forensic science through the eyes of both a detective and spy. Are detectives really scientists in disguise? Use your skills of listening, testing, and observation during this week of detection. The correct conclusions are critical to solving the crime scene puzzle!

<u>Day</u>	<u>Time</u>	<u>Date</u>
Mon -Fri	1:00 – 4:00 p.m.	June 13-17

Fee: \$160

Instructor: Mad Science

Register Online:

<https://triangle.madscience.org/parents-register-c.aspx>

Eureka! The Inventor's Camp

Ages: 6-11

A camp for Inventors! Children will overcome a series of challenges using basic materials, simple machines, tips from famous inventors and the most important of all – their mind. With a little bit of ingenuity children will create aircrafts, construct working light sticks to take home and assemble a set of circuits with batteries and light bulbs. While Thomas Edison said, “Invention is 10% inspiration and 90% perspiration”, this camp is 100% FUN!

<u>Day</u>	<u>Time</u>	<u>Date</u>
Mon -Fri	9:00 a.m. – Noon	July 11 - 15

FFee: \$160

Instructor: Mad Science

Register Online:

<https://triangle.madscience.org/parents-register-c.aspx>

Shipwreck Island

Ages: 6-11

This camp places children on a “deserted island” on which they must work together to devise a means to collect food and water, build shelters, bridges, and learn about the science behind survival fun! They use the tools at hand to write messages to send in a bottle and witness a volcanic eruption. The children eventually design a means to escape the island and come home.

<u>Day</u>	<u>Time</u>	<u>Date</u>
Mon -Fri	1:00 – 4:00 p.m.	July 11 - 15

Fee: \$160

Instructor: Mad Science

Register Online:

Guts, Goo, and Gross Science

Ages: 6-11

Use your skills as a creepy chemist to make your own radically gross reactions with batteries, coins, and more! Compare fingerprints and discover the mysteries of DNA as you fine-tune your secret agent skills. Make “brain goo” and check out your bones as you travel the organ trail. Explore the icky inside of your body and learn about the organ systems and the cells that compose them with an introduction to the circulatory, respiratory, digestive, skeletal, and muscular systems. Discover cool and yucky chemical reactions and how to solve a crime in this hands-on science adventure!

<u>Day</u>	<u>Time</u>	<u>Date</u>
Mon -Fri	9:00 a.m. – Noon	August 1-5

Fee: \$160

Instructor: Mad Science

Register Online:

<https://triangle.madscience.org/parents-register-c.aspx>**3..2..1....Blast Off!**

Ages: 7-11

Take a trip into the galaxy! Campers will learn about the history of space travel and how some space vehicles work. They will use stomp rockets, water rockets and engine powered rockets to explore the physics of flight. This camp will introduce children to our Milky Way and show them how amazing it is! Leave camp with your own rocket.

<u>Day</u>	<u>Time</u>	<u>Date</u>
Mon -Fri	1:00 – 4:00 p.m.	August 1-5

Fee: \$160

Instructor: Mad Science
